Master item ref : CPCB01 [4-pcs master pack STANDARD]

Name: Chillafish BOX pack

Description Store. Play. Connect.

Chillafish BOX is the first modular, connectable toy storage and play system in the market. It is MODULAR and can be CONNECTED and RECONNECTED in 9999 configurations, connecting each unit in every imaginable and practical way. Chillafish BOX can connect to other units as is, or can be "topped-off" with a BOXTOP unit that evens out the BOXES to a playing table, securing the whole system even more. Create your table 2 by 2, 4 by 4, 2 by 6.... any shape you want. Storage drawers or shelf system, play table, a cute storage chair or just a funky and clean design object. You choose.
