

PRODUCT SPEC SHEET

v1.1

Date printed : 30/12/2013

Master item ref : CPMX01 [4-pcs master pack STANDARD]

Name: BMXie

Description Probably the coolest balance bike in the world

The BMXie balance bike doesn't compromise : a real BMX-styled bicycle frame, oversized tubing but extremely lightweight. Superduper cool design, adjustable seat without tools and a removable footrest. Need anything more ? Maybe a detachable front number plate with various stickers ? Got it ! This is probably the coolest balance bike in the world !
